

CEP ALUMINUM E SERIES PROFESSIONAL DIRECT DRIVE ELECTRIC PRESSURE WASHERS

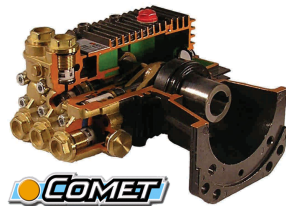

FEATURES

- » Baldor commercial grade electric motors
- » Industrial Comet triplex pump with external unloader and bypass
- » Ultra lightweight corrosion resistant frame with 1 1/4" tubing operator handle
- » Adjustable pressure
- » 10" tubed pneumatic tires
- » Thermal relief protection
- » 50 mesh stainless steel inlet filter
- » 3/4" cold rolled steel axle
- » Dual anti-vibration rubber isolators

Standard accessory kit 6550 includes 50' steel braided non-marking gray hose, 36" spray wand with molded grip and gun, 5 quick connect spray nozzles, and a high draw chemical injector. Hose reel kits and other options are available. See your PSI dealer for details.

PSI pressure washers feature Comet pumps for their unmatched quality and life.

PUMP FEATURES:

- » Forged brass manifold with lifetime warranty
- » Forged bronze connecting rods
- » High efficiency, stainless steel check valves
- » Abrasion proof, heat resistant, solid ceramic plungers
- » High quality oversized bearings
- » Increased fin depth for maximum heat dissipation
